

# CRISIS *Management*

## Shape Crisis into Opportunity

Artificial intelligence simulation software, live instructor-led discussions, and team competition allow participants to:

- ✓ Listen to, build trust, and respond properly to a variety of internal and external stakeholders
- ✓ Make fast-paced decisions against a back-drop of pressure
- ✓ Utilize correct communication formats to disseminate the right information to the right people at the right time!

**Hone skills and build a plan,  
before a real crisis happens!**

**Beneficial for managers who may be on  
the front-line during a distressing incident**

**Immersive simulated learning provides ultimate  
engagement and training ROI.**
